

Together, circular

UI Designer (m/w/d)

Concular is a circular economy start-up. We digitize materials in buildings to calculate the embodied carbon footprint and help to reduce it by recirculating materials to other buildings, manufacturers or industry partners. By that we are tackling a lot of problems in the construction sector such as emissions, waste, resource exploitation and more. We're working with most of the largest building owners, manufacturers and construction companies in Germany and will expand to other countries mid of next year.

Your Role

Collecting, researching, investigating and evaluating modern user interface design requirements. Deliver an outstanding user experience providing an exceptional application design.

Tasks

- Creating mock-ups and click dummies for UX/UI issues
- Define a corporate application design and UI kit
- Ensuring that the product has a coherent look and feel
- Overviewing of UI components including a component palette and maintaining it so we have unified look & feel in the platform and reuse as much as we can
- Commenting/sorting/pushing UX issues
- Suggesting, measuring, altering that the product can be used as intended without major support
- Adding guides to ensure a smooth learning experience

Your Profile

- A minimum of 3 years of experience as a UI Designer within SaaS environment
- Experience in data visualization
- Experience in UX topics like wireframes and clickdummies
- Technical understanding of frontend development
- Passion for building innovative products in the circular economy
- High standards and strive for excellence across the board - from own contributions to the collaborations with the engineering team - balanced by a practical understanding of the trade-offs between "done" and "perfect"
- Fluent written and verbal communication skills in English

Benefits

We

- are an open minded and multinational team
- are passionate about circular economy
- work in a great office in the Impact-Hub Berlin Neukölln
- are remote-friendly
- offer a seat in our team which has high growth and collaboration opportunity
- provide you with a brand new hardware of your choice
- offer a competitive package
- offer flexible working hours

Concular is committed to creating a diverse environment and is proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, age, or all the other fascinating characteristics that make us different.
